

IMPORTANT INFORMATION REGARDING RESPECT IN SPORT FOR 2021 – 2022 SEASON

It is **MANDATORY** that all parents/guardians of players be certified in Respect in Sport – Parent (RIS) prior to players being allowed to participate in on-ice activity with Stettler Minor Hockey.

The Respect in Sport Parents course takes approximately 1 – 1.5 hours to complete, and is offered through the Respect Group website.

We are asking that all parents/guardians with an **existing RIS certificate** login to the Respect Group website to ensure that their certificate is valid. Courses completed from 2018 onwards are considered valid – if your certificate is from 2017, please check with the Martyne at registrar@stettlerminorhockey.com. Courses completed prior to 2016 are no longer valid.

The process of adding a **new player to an existing RIS certificate** is also outlined below for parents with a new player in hockey this season who may have an older sibling for which a certificate exists.

For **new players without an existing RIS certificate**, parents/guardians must create an account and add the player to their profile, then proceed to complete the Respect in Sport for Parents course.

The screenshot shows a web browser window with the URL `hockeyalbertaparent.respectgroupinc.com/koala_final/registration.jsp`. The page has a dark theme with several sections: "Gender" with radio buttons for "Male" and "Female"; "Child Management" with a pink warning box that says "In order for the association to receive record of the certificate for this user, children **MUST** be added to this profile!"; a black "ADD CHILD" button with the text "Add a child to your profile" and a blue arrow pointing to it; "Security Captcha" with an "I'm not a robot" checkbox and a "RECAPTCHA" logo; and "General Communication" with a paragraph of text about email notifications.

Please scroll down the list and ensure that you select STETTLER as the minor hockey association for the player

The screenshot shows the "Add A Child To Your Profile:" modal form. It has fields for "City*", "Province*", "Country*", and "Postal Code*", and a dropdown for "Association*". The "Association*" dropdown is open, showing a list of hockey associations. "ATHABASCA AND DISTRICT MHA" is highlighted with a blue arrow. At the bottom of the modal are "SAVE Save and Add Child" and "CANCEL Close Without Saving" buttons. A blue arrow points to the "SAVE" button. The background shows the registration page with a pink warning box and a blue arrow pointing to the "ADD CHILD" button.

Once the player has been added successfully, you will be directed to the course menu and can click on PROGRAM ACCESS to begin the program
