

SMHA PRESEASON DEVELOPMENT OPPORTUNITIES 2023

Stettler Minor Hockey Association is once again holding various skill development sessions for our U11 to U18 aged players starting August 30th, 2023, prior to team selections. These sessions will include a combination of power skating and On-Ice Skills sessions with Cross Ice Development. All sessions are optional and have no bearing on team selections. Goalies should come to their specific division sessions and for further development can register for the Stable Goalie Camp Friday and Saturday September 1st & 2nd 2023. The Stable goalie camp is user pay.

U7 will start and U9 season will start October 10th, 2023

PLEASE NOTE THERE WILL BE NO FEMALE WEEKEND FOR THE 2023-24 SEASON

Specific group assignments are grouped alphabetically by last name.
As registration numbers come in these groups will be finalized.

Team Selections will begin for most levels on September 15th. Schedules will be released closer to the date.

Parents of participants must have an up-to-date Respect in Sport - Parent certificate in order for players to attend on-ice activities with Stettler Minor Hockey. For additional information, or to check if your certificate is valid, please refer to the Respect Group website at <https://hockeyalbertaparent.respectgroupinc.com/>
